

# Westonbirt School of Magic

## Here is a reminder of the clues that we have found:

### Scene setting with the investigator:

Great Hall:

Mysterious footprints and jars behind the piano

The charred paper containing students names

Library:

An old spell book, open to a page requiring the scale of a dragon and a tooth from a serpent

A shrunken sock

Dining Room:

A red liquid spilled across the table

Hal eaten food left abandoned

Potions Room:

A window open to the point where someone could climb through

Tiny footprints leading out to the courtyard

### Character description with Gurt:

A witch leaving school with a long black cloak and tall black hat. She was carrying a bottle with a red potion and transformed into a dog.

A wizard with a funny eye, a limp and something jangling in his pocket crossing the Great Hall.

A creepy wizard in the library with long white hair and a scary, black cloak. He was looking through spell books.

A witch with black hair and a white streak running through the grounds. She has dark eyes, red lipstick and was holding a glass jar.

### How did it happen with Miss Combobulation:

An abandoned invisibility cloak

A potion being mixed in a cauldron

A red potion being poured into a jug

A serpent slithering through the grounds

A dragon in pain and needing help
