

## Make your own scroll

### What you'll need

- White paper
- Scissors
- Tea bags
- Hot water
- A bowl
- Old newspaper or something to protect your table
- Ribbon
- Paper towels

### Directions

- Put your tea bags into a bowl and with help from your parents add the hot water.
- Allow the tea bags to sit the bowl for 5-10 minutes.
- Drain the water from the bowl and allow the tea bags to sit for a few minutes until they cool.
- Take your tea bag and carefully dab your white paper until it's all covered.
- Take a paper towel and wipe away any excess tea.
- Leave your papers for a few hours to let it dry.
- You can now use the scissors to cut your scroll at the edges to make it look older.
- Now carefully roll your scroll up and tie it in place using your ribbon.
- If you liked to show your finished scroll to Professor Dangerfield, with permission from your parents, take a photo and send it to your teacher who will send it to her via e-mail (or owl).
