

## Write secret messages using invisible ink

### What you'll need

- Half a lemon
- Water
- Spoon
- Bowl
- Cotton bud
- White paper
- Lamp

### Directions

- Squeeze some lemon juice into the bowl and add a few drops of water.
- Mix the water and lemon juice with the spoon.
- Dip the cotton bud into the mixture and write a message onto the white paper.
- Wait for the juice to dry so it becomes completely invisible.
- When you are ready to read your secret message or show it to someone else, ask your parents to help you heat the paper by holding it close to a light bulb or using an iron.
- **Make sure you get your parents' permission** and help when revealing the invisible words using heat.
