# Boarding at Westonbirt

Year 9 student Emmanuel is from Nigeria, Africa

How would you describe Westonbirt to your family back home?

Being a Full time boarder can be a new experience, especially for people new to boarding or even new to the UK, and I feel like everyday I spend here is a chance to learn new things about my environment, the people around me and even myself at some times.

What is your favourite thing about boarding at Westonbirt?

My favourite thing about boarding at Westonbirt is how my peers and I can sit around the common room and be able to speak to each other like we are family. Other boarders and staff are very nice and I really enjoy the time spent around everyone. I also really enjoy the large campus and going on jogs throughout the beautiful gardens

Would you recommend boarding at Westonbirt?

I would recommend boarding at Westonbirt because it gives you a chance to find yourself and it teaches you how to live and cooperate with random people, turning strangers into your very close friends. Sharing a bedroom with three other adolescent teenage boys has really been important for me and has helped me gained some important life skills like compromise, communication and friendship.

Year 12 student Lennard is from Lower Saxony, Germany

*What is your favourite thing about boarding at Westonbirt?*

My favourite thing about boarding at Westonbirt is that you get to know many people and make great friends. I think it is nice to learn new things about them all gradually too.

I would highly recommend boarding at Westonbirt, especially for students from abroad, because Westonbirt is a relatively small but open-minded community that I have enjoyed being apart of.

*What is your favourite thing to do at Westonbirt?*

There are so many things to do at Westonbirt that I struggle to pick my favourite. Some favourites are the subjects, the co-curricular activities, trips and many other things offered here.
