School Bus Route Timings 2023-24

All times are approximate and we ask that parents / passengers are ready waiting at the stop 5 minutes before the bus is due as it cannot wait for late pupils.

In the evening ALL buses leave school at 5.40pm. If pupils are not on the bus at that time it will leave without them and parents will need to collect them from school.

If your child leaves school early for any reason they need to sign the early leaver bus book in reception with their name/route

Routes always take a couple of weeks to settle so times may change slightly.

Please note that all routes may have small changes made if needed.

EXEATS

Buses will be run in the morning as normal and on Exeat Friday afternoon runs unless parents are informed otherwise.

END OF TERM AND START OF HALF TERM

Buses will run in the mornings but NOT for the return runs in the afternoons.
