WESTONBIRT SUMMER SCHOOL

INSPIRING YOUNG MINDS

10-16 YEARS

WESTONBIRT
SUMMER SCHOOL

Ages: 10-16

Dates: 5 July - 2 August 2026

Course price: from £1,595 per

- Integration with UK host students
- Taster programme at a stunning boarding school
- A wide range of Academic and enrichment programmes

WELCOME TO WESTONBIRT SUMMER SCHOOL

I am delighted to welcome you to Westonbirt Summer School. Set in our magnificent Victorian mansion and 210 acres of beautiful Cotswold parkland, Westonbirt provides an inspiring backdrop where students from around the world come together to experience the very best of British boarding school life. With our renowned pastoral care and enriched academic opportunities, every student is encouraged to grow in confidence, curiosity and creativity. From dynamic small-group English lessons to specialist courses in Artificial Intelligence and Leadership, alongside exciting Integration Projects that build teamwork, our programmes are designed to be both transformative and memorable. Students also have access to unique academies such as Flying School and Polo, making their experience even more distinctive. Most importantly, our Summer School is a place where international friendships are made, cultures are shared and students leave with lasting memories. I look forward to welcoming our 2026 Summer School students and watching them thrive as part of the Westonbirt community.

Amy Tout
Director of Admissions & Marketing

HISTORY OF WESTONBIRT HOUSE

A Victorian mansion, Westonbirt House was built in the late 1800s by Robert Staynor Holford. One of the wealthiest men in England, he commissioned architect Lewis Vulliamy to design the most expensive and luxurious country house built during that period.

A school for almost a century, the Elizabethan style architecture, breath-taking interiors and stunning gardens truly set Westonbirt apart. It is a unique, magical setting in which to live, learn and grow. Home to several members of the Royal family, for good reason, the Cotswolds are considered one of the most beautiful parts of the UK and there are strong links with nearby horse eventing and polo clubs. The surrounding countryside is home to a number of renowned quintessential English villages and within easy distance are the Cotswold Water Park, UNESCO Word Heritage City of Bath, roman villas, castles and Royal palaces.

A LEADING BRITISH BOARDING SCHOOL

Westonbirt School is a leading co-educational day and boarding school that has a long history of hosting overseas students.

Summer School students arrive to immerse themselves in English language, British culture and an enhanced learning programme, often returning as full-time students following their summer experience.

For almost 100 years we have been welcoming students from across the world to flourish in the beautiful setting of Westonbirt House. Nestled in the heart of the Cotswolds, just 90 minutes from London, the expansive estate is home to a nine-hole golf course, 25m swimming pool, sports fields, theatre, landscaped gardens and our very own church.

Westonbirt School is rated 'Excellent' for academic achievement and personal development by the Independent Schools Inspectorate. The school was named one of Fortune's "World Leading Boarding Schools" and Co-educational Independent School of The Year by the Good Schools Guide.

AIZIYA
YEAR 11
WESTONBIRT STUDENT

"I would describe the Summer School as fun, exciting and educational. It teaches the students that come here about culture and how different people can be."

OVERVIEW

ACADEMIC OPTIONS

English Language

Our core programme helps students develop their English language proficiency. We offer tuition to all students from beginners who are just starting their language journey to fluent speakers looking to enhance their skills, further expanding their vocabulary and refining their communication style.

AI and Future Technologies

Our AI programmes are designed to improve students' technical knowledge as well as critical thinking skills, while focussing on hands-on learning. Through block coding or Python programming, students will develop essential skills while exploring the fascinating concepts of AI in a supportive environment.

Leadership Programmes

Develop essential leadership skills through immersive activities that take leadership beyond the classroom and into the real world.

Adventure Challenge

Students build teamwork, resilience and confidence through exciting challenges like raft building, orienteering, bushcraft, high ropes, archery and climbing while developing problem-solving skills and environmental awareness.

INTEGRATION PROJECTS

International students share three afternoon sessions a week with UK host students, developing a range of skills in an immersive environment.

All students participate in Team Project Challenges, which are carefully designed to develop communication, problem solving, critical thinking, teamwork and leadership skills. Students work collaboratively with the English host students to create an innovative project. The winning project each week is awarded a special prize!

TRIPS

There are three excursions each week. Full-day excursions take place on Saturdays with half-day trips on Wednesdays and Sundays (for those not arriving or leaving that day). Students up to the age of 12 are always supervised on excursions, while those aged over 12 may be given limited free time to explore the area in small groups, with parental consent.

ACTIVITIES AND ACADEMIES

At Westonbirt, we want students to experience as many different things as possible, to find new passions and discover new aspects of activities they already enjoy.

Our Academy options offer up to eight hours of professional teaching or coaching per week and are a great way to experience the dedicated support that Westonbirt offers to students.

The Multi-Activity Programme is a great choice for students who would like to do a bit of everything from sport to craft.

EVENINGS

After a busy day of learning and fun, students can enjoy the beautiful grounds or hang out with friends in their boarding house. They are also able to contact family, to tell them about each day's adventures.

The evening continues with social activities, including quizzes, discos, and karaoke or movie nights. As well as lots of fun, this time is a perfect opportunity for students to continue to use their English in a even more relaxed environment.

ENGLISH LANGUAGE

COURSE OVERVIEW

All English Language lessons are delivered by qualified and experienced teachers. Each member of our teaching team holds a high standard of qualification, such as CELTA, and brings formal classroom experience to the role. The programme is led by our Director of Studies, who holds a DELTA qualification in Applied Linguistics, ensuring high-quality academic delivery and personalised learning support.

Students can benefit from up to 15 hours of language lessons each week.

In addition to English lessons, Integration Projects and academically focused activities enable children to continue language learning beyond the classroom - promoting fluency, confidence, and critical thinking through practical application and collaboration.

KEY FACTS

Age groups:
Juniors: 10-13 years
Seniors: 14-16 years

Hours:
15 hours of lessons per week

Class sizes:
Maximum of 12 students per class

Levels:
Beginner to fluent speakers

Our programme develops:

- Practical language skills in an English-speaking environment
- Listening and reading skills in an exciting way, using as many authentic materials as possible (depending on students' abilities)
- Speaking and writing skills using a topic-based approach, focussing on students' experiences through reflective writing and on oral communication skills through debates and presentations
- Critical thinking skills by helping students reflect on their language use
- Intercultural awareness

Course materials:
A mix of General English and IB English textbooks and authentic materials

Levels:
On arrival, students take a short test to ensure they join the English class that's just right for them. Before they travel, we ask families for an idea of their English level. This way, every student starts in a class that is tailored to their English ability as well as their needs.

FLUENT SPEAKERS

Our approach to teaching is topic-based, inspired by IB English (rather than General English) for higher level learners, which means that fluent speakers at C1 & C2 levels enjoy a high-level, practical engagement with the English language.

It ensures that students with particularly advanced standards of English (for example, those who attend international schools, have studied English for a long time or have, in fact, grown up speaking English) are still challenged at the right level in class.

ARTIFICIAL INTELLIGENCE AND FUTURE TECHNOLOGIES

KEY FACTS

Age groups:
Juniors: 10-13 years (Programming with Machine Learning for Kids)

Seniors: 14-16 years (Coding with Python)

Hours:
15 hours of lessons per week

Class sizes:
Maximum of 12 students per class

Levels:
Minimum CEFR B1 (Intermediate) level of English

No coding experience needed

Our programme develops:

- Understanding of AI
- Practical skills to deal with real-world applications of AI
- Ethical thinking about the responsible use of technology
- Future-proof skills, including programming, critical thinking, problem solving and innovation
- Innovative and entrepreneurial thinking
- English Language Skills related to AI

PETER
14 YEARS OLD
FRANCE

"This course is really fun and interesting - I actually love it! The teachers are super helpful and really kind. I'd definitely recommend trying the AI programme.

ADVENTURE CHALLENGE

KEY FACTS

Age group:
Juniors: 10-13 years

Hours:
15 hours of learning per week

Class sizes:
Maximum of 12 students per class

Levels:
Minimum CEFR B1 (Intermediate) level of English

Our programme develops:

- Teamwork and collaboration through trust-building exercises and Raft building
- Resilience and perseverance through orienteering and navigation
- Problem-solving through bushcraft and survival skills
- Confidence and motivation through high ropes and other team challenges
- Focus and concentration through archery and climbing
- Environmental awareness and responsibility

LEADERSHIP IN ACTION

KEY FACTS

Age group:
Seniors: 14-16 years

Hours:
15 hours of learning per week

Class sizes:
Maximum of 12 students per class

Levels:
Minimum CEFR B1 (Intermediate) level

Our programme develops:

- Teamwork and leadership skills
- Leading teams through challenging, unknown environments
- Emergency response
- Navigation and survival skills
- Leadership theories and frameworks

EMILIA
15 YEARS OLD
GERMANY

"You're in nature, you're having fun, you're part of a group - and you learn about teamwork, communication, being in the woods, building shelters. It's really nice."

INTEGRATION PROJECTS

On three afternoons each week, students take part in integration projects alongside their UK Host Students.

INTEGRATION PROJECTS (ALL AGES)

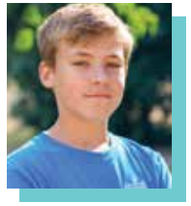
All students take part in Team Project Challenges, designed to develop communication, problem-solving, critical thinking, listening, presentation, and leadership skills. Students are grouped by age and mixed English ability, and work together with English host students to create an innovative project. Each week, the winning team receives a special prize!

Eco Challenge
Students explore the unique environment of Westonbirt, exploring the flora and fauna of the parkland and the lake, and create bug hotels. They also assess the ecological impact of our Summer School and work out what actions could make it more eco-friendly.

Engineering Challenge
Putting their engineering skills to the test, this challenge involves constructing bridges and catapults from a limited bank of resources. Teams compete to see whose catapult can shoot the furthest, and whose bridge withstands most force.

Entrepreneurial Challenge
In this challenge, inspired by the ever-popular Dragons' Den series, students research, develop and market a brand-new idea, finally pitching their business to potential investors. They explore budgets, market research and profit margins.

Digital Futures Challenge
Students explore how technology is shaping the world. They investigate opportunities and challenges of a connected world and design a digital solution to a real-world problem, such as an app prototype, social media campaign, or tech-based invention.



THEODORE
YEAR 7
WESTONBIRT STUDENT

"I love being a Host Student because I get to meet loads of new people and make new friends and learn about different cultures."

ACADEMIES AND ACTIVITIES

Westonbirt's outstanding facilities and extensive grounds allow us to offer professional tuition in a wide range of high-quality academy opportunities on four afternoons each week. Students can opt to receive up to eight hours of coaching per week in their chosen academies or they can decide to join the Multi-Activity Programme and spend more time with our UK Host Students doing a variety of activities.

MULTI-ACTIVITY PROGRAMME

Students who do not want to specialise in an academy can take part in this Multi-Activity Programme, where they will have the chance to try different activities every afternoon. Students enjoy up to three activities per day, with a choice of at least one for each session.

Options may include basketball, swimming, football, touch rugby, badminton, kwik cricket, arts and crafts, water polo, softball, rounders and volleyball.

Cost: Included as standard

GOLF

Westonbirt School has its very own 9-hole golf course. Our Golf Academy coaches help students learn and improve their game. Focus is on the core aspects of this increasingly popular sport, such as driving, iron play, chipping, putting and bunker shots. Experienced players can play on the golf course.

Session length: 4 x 2-hour sessions per week

Levels: No prior experience needed, separate group for experienced players

Equipment: Loan clubs are provided, but students are welcome to bring their own

Available: All weeks (subject to minimum booking numbers)

Cost: £150 per week

MARCEL
14 YEARS OLD
AUSTRIA

"I play golf back in Austria so it's nice to try golf in England. The 9-hole course is really good and very challenging."

SCAN TO WATCH

“The Cookery Academy is a great way to enrich the students’ time with us, and to get some hands-on experience with British cuisine. It enables them to try foods that they haven’t eaten before, and it also teaches those lifelong skills that they can take away from Westonbirt and share with their family and friends back home.”

FOOD TEACHER
WESTONBIRT SCHOOL

COOKERY

Westonbirt School is a provider of highly regarded cookery courses, and our Summer School students benefit from access to our cookery room. The academy is led by a professionally trained chef with Leiths accreditation, who brings energy, skill, and expert instruction to each session. Students will learn a range of classic cooking techniques and create a different dish each day.

Session length: 4 x 2-hour sessions

Levels: No prior experience needed

Equipment: No specialist equipment needed

Available: All weeks (subject to minimum booking numbers)

Cost: £150 per week

GRACE
ROBOTICS ACADEMY LEADER

“The Academy is structured as a competition over the week, so the students learn the basics of coding and build their robots, and then they have the chance to improve their robot’s movements and designs so that they can complete the challenges quicker than the other students!”

SCAN TO WATCH

PERFORMING ARTS

Westonbirt School boasts vibrant and exciting Music and Drama departments. This Academy is a creative combination of music, drama and dance, with the opportunity to perform at the Talent Show, using the school’s performing arts theatre and expert tuition.

Session length: 4 x 2-hour sessions per week

Levels: No prior experience needed, Minimum CEFR A2 (Pre-intermediate) level of English

Equipment: No specialist equipment needed

Available: All weeks (subject to minimum booking numbers)

Cost: £150 per week

ROBOTICS

Westonbirt School offers excellent STEM provision. Our Robotics Academy is a crash course in block-based programming, making use of LEGO® education kits. Students can learn to control a robot and build up more complex functionality during the week.

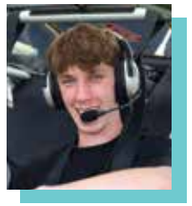
Session length: 4 x 2-hour sessions per week

Levels: No prior experience needed, Minimum CEFR A2 (Pre-intermediate) level of English

Equipment: No specialist equipment needed

Available: All weeks (subject to minimum booking numbers)

Cost: £150 per week



EZECHIEL
15 YEARS OLD
PARIS

The Flying Academy taught me so many things I'd never learnt before - how a plane works, the different types of aircraft. My favourite part was definitely taking-off!

SCAN TO WATCH

TENNIS

Expert coaching for players of all abilities in this hugely popular sport, using Westonbirt's astro courts. Students will learn all aspects of the sport, from understanding grip, forward and backhand strokes, serving, volleying, and court positioning.

Session length: 4 x 2-hour sessions per week

Levels: No prior experience needed, separate coaching for experienced players

Equipment: Loan rackets are provided, but students are welcome to bring their own

Available: All weeks (subject to minimum booking numbers)

Cost: £150 per week

FLYING (14+)

Our most adventurous students can experience the thrill of flying in microlight aircraft at Cotswolds Airport, with the expert instructors. Sessions will introduce students to the theory and practice of flying, including the effect of controls and basic flight manoeuvres.

Session length: 4 x 2-hour sessions per week, including 3 x 1-hour flights

Levels: No prior experience needed, pilots in training are also welcome

Equipment: No specialist equipment needed

Available: All weeks (subject to minimum booking numbers)

Cost: £780 per week

POLO

Beaufort Polo Club, right next to Westonbirt, is one of the UK's leading polo venues, offering top-class facilities and a rich heritage in the sport. Established in 1872, the club is renowned for hosting prestigious tournaments, and it's just the perfect place for our advanced riders to play or practice the sport.

Session length: 4 X 1-hour sessions per week

Levels: Only available for experienced riders

Equipment: Hats are provided; students must bring riding boots and trousers

Available: All weeks (subject to minimum booking numbers)

Cost: £475 per week

SCAN TO WATCH

HORSE RIDING

The Cotswolds is famous horse-riding country, and home to the internationally renowned Badminton Horse Trials. Students get the chance to develop their riding skills (walking, trotting and cantering) and even develop skills in stable management and grooming.

Session length: 4 X 45-minute riding sessions per week

Levels: No prior experience needed, separate group for advanced riders

Equipment: Hat and boots are available, students must bring appropriate clothing for riding.

Available: All weeks (subject to minimum booking numbers)

Cost: £275 per week (bringing own kit)
Cost: £350 per week (kit hire - hat & boots)

SCAN TO WATCH

All Academies are subject to a minimum number of students participating. Should this minimum number not be met, Academy charges will be refunded.

ZSÓFIA
15 YEARS OLD
HUNGARY

"My favourite thing has been the polo, because I had never done it before. The coach was really nice and it was a really great experience to go to a polo club and learn about the game and how different it is to other types of horse riding. I would definitely recommend the course, everyone is so nice!"

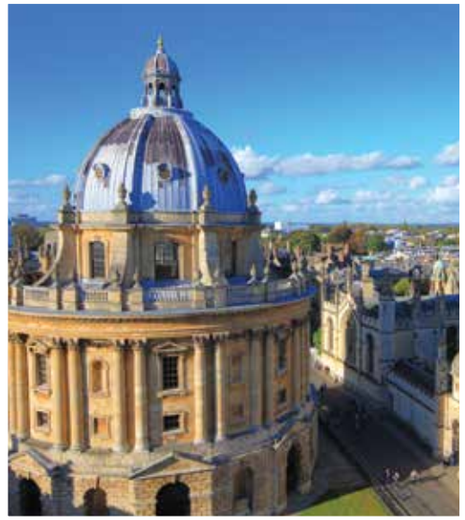
EVENINGS

The Westonbirt evening activity programme embodies our spirit of fun, and is central to helping our students build friendships across all ages and nationalities. UK host students join international students for a wide variety of activities, including:

- Talent shows
- Discos
- Karaoke evenings
- Film nights
- Capture the flag
- Quiz night
- Mini Olympics
- Board game nights
- Murder mysteries
- Escape room

LAURA
15 YEARS OLD
BRAZIL

"I would recommend Westonbirt Summer School, I could make new friends and improve my English and have the UK boarding school experience all in one month!"



DISCOVERING THE BEST OF ENGLAND:

TRIPS AND EXCURSIONS

From Westonbirt, students are able to access many of England's most popular sights. Within easy distance of the world-famous cities of Bath and Oxford nearby, and just 90 minutes from London, Summer School students enjoy so many unforgettable experiences.

FULL-DAY WEEKEND TRIPS

LONDON

Date: Weeks 1 & 4
Attraction: River Cruise and museum

The UK's exciting and vibrant capital city offers a thrilling day out for our students. Taking in iconic sights including the Tower of London, Buckingham Palace and the Houses of Parliament, this full-day trip is a highlight of our Summer School.

CARDIFF

Date: Week 2
Attraction: Cardiff Castle

Cardiff, the bustling Welsh capital, offers a great insight into historic and present-day Wales. The highlight of our visit is Cardiff Castle, which opens a window into Roman, Norman and Victorian times.

OXFORD

Date: Week 3
Attraction: Punting and college tour.

Oxford is most famous for its 12th century university, still a world-leading place of learning and research. The beautiful medieval architecture, museums and shopping opportunities make it popular with our international students.

HALF-DAY, MID-WEEK TRIPS

Trips are tailored to academic programmes to further enhance learning experiences.

Trips include:

WESTONBIRT ARBORETUM
CIRENCESTER
COTSWOLD WILDLIFE PARK

HALF-DAY SUNDAY TRIPS (for those not arriving or departing on the day)

BATH

Date: Week 1

A visit to the beautiful, historic World Heritage City of Bath.

BRISTOL

Date: Week 2

A trip the the exciting and energetic city of Bristol, and its historic Harbour

COTSWOLD COUNTRY PARK AND BEACH

Date: Week 3

A fun day out at the UK's largest inland sandy beach and swimming lagoon.

WEBSITE INFORMATION

This schedule reflects our plans. However, due to external factors such as weather, travel restrictions or venue availability, we reserve the right to change this and offer suitable alternatives.

STAYING WITH US

ACCOMMODATION

Westonbirt House is a beautiful place to live. An English country house full of character, Westonbirt is known for its beautiful architecture and impressive interiors.

Our bright and cosy single rooms and 2-6 bed dorms provide a comfortable and reassuring space for students to relax and sleep. Rooms are allocated depending on numbers, but in general, older students have priority for the single rooms.

Students are supported and cared for by friendly house parents, who make sure that their stay is safe and fun, arranging medical support if necessary.

FOOD

Food at Westonbirt is delicious! Our onsite school chefs serve a varied and nutritious range of meals, with enough choice to meet a wide range of dietary requirements.

Each day, students will enjoy a healthy breakfast, a mid-morning snack, lunch, afternoon snacks and an evening meal, with some more late-night snacks available in the dorms.

Main meals are eaten in the beautiful and ornate dining rooms at Westonbirt.

For full-day and some half-day excursions, a packed lunch is provided.

SAFEGUARDING AND WELFARE

We are committed to safeguarding and promoting the welfare of children, and we realise that it is often a difficult time for children and parents alike to be far from each other. Our comprehensive Safeguarding & Child Protection Policy and extensive procedures ensure that we keep children safe and families comfortable. The points below are only some highlights from our safeguarding and welfare measures.

TRAINED AND APPROACHABLE STAFF

All our staff members participate in safeguarding training specifically for our summer school. They are supported by a highly trained and experienced safeguarding team. Students are looked after by house parents and dedicated welfare support staff, and they can also always approach any of our friendly staff members if they need help.

ENVIRONMENT

We provide a positive, supportive and nurturing environment, where every student can feel safe. While we have clear expectations for behaviour and conduct, we believe in positive behaviour management, which helps students adapt their behaviour to a school system that may be completely new to them.

SECURE CAMPUS AND ACTIVITIES

Westonbirt School is an exceptionally safe location, a self-contained school campus, where students live in a truly secure environment. We have specific risk assessments in place for every activity and excursion we organise.

SAFER RECRUITMENT PRACTICES

We follow safer recruitment processes to ensure that all staff members that work with us are suitable for working with children; this includes conducting appropriate background checks and following up on references for everyone. We also require external suppliers (eg. transport providers) to do the same.

MOBILE PHONE POLICY

While staying with us, students can only use their mobile phones for a limited time in the evenings, while connected to Westonbirt School's safe student network. As well as ensuring that students use their time to communicate with each other, this also helps prevent safeguarding issues linked to the online world. Students do have access to their phones on trips.

DEALING WITH HOMESICKNESS

We know that younger students may find it challenging to adjust to a completely new school environment far from home, and we have great experience in supporting them as well as their families through any periods of homesickness.

JESS
HOUSEPARENT

"It's understandable to feel homesick, as a lot of the students who attend our summer school may never have been away from home before, so one of the things I like to do is sit down with the student and help them to think of all the amazing memories that they have made throughout the day that they can share with their parents when they have their phones in the evening during House Time. I find that for the students, the weeks just fly by and they don't want to leave!"

AIRPORT TRANSFERS

We provide two levels of airport transfer service: a Standard Transfer Service, and a Private Transfer Service.

STANDARD TRANSFER SERVICE

London Heathrow and Gatwick Airport

The budget-friendly Standard Transfer Service is available from London Heathrow Airport on Sundays. This includes a meet & greet service by a member of school staff or a driver inside the terminal building. On departure, our staff member or driver also takes students to the check-in desk.

The Standard Transfer Service is only available on Sundays for flights:

- Arriving between 9am and 6pm
- Departing between 10am and 7pm

Eurostar shuttles

We are also offering two Economy shuttles on Sundays from/to St Pancras International Station.

The Eurostar Shuttle Transfer Service is available for trains:

- Arriving between 9am and 6pm
- Departing between 10am and 7pm

Waiting times: We plan for our staff member or driver to meet arriving students approximately 30 minutes after their flight arrives (or later if there are delays through arrivals). While we operate multiple shuttle buses and minibuses on each arrival and departure day, using this service means that students may have to wait up to two hours at the airport for their coach or minibus to depart.

PREMIUM TRANSFER SERVICE

Our Premium Transfer Service is available from all London airports, as well as Bristol Airport and London St Pancras International Station. This option also includes a meet and greet service by a member of school staff or a driver inside the terminal building. On departure, our staff member or driver also takes students to the check-in desk.

Students travelling together can share the same Private Transfer Service.

Waiting times: We plan for our staff member or driver to meet arriving students approximately 45 minutes after their flight arrives (or later if there are delays through arrivals). Premium Transfers leave the airport or station immediately after collecting the student

UNACCOMPANIED MINORS

We are happy to assist with the arrival and departure of unaccompanied children. It is the responsibility of the family to ensure that this service is available and booked with the airline, and that all necessary paperwork is handed over to us.
